Chrysler Group Announces Management Changes

June 6, 2011, Auburn Hills, Mich. - Chrysler Group LLC today announced the following management team changes.

Fred Diaz is appointed President and CEO of Chrysler de Mexico, which includes responsibility for Latin America. Diaz continues in his current role as the President and CEO of the Ram Truck Brand.

Reid Bigland is named President and CEO of the Dodge Car Brand and head of U.S. Sales. Bigland continues as President and CEO of Chrysler Canada. In addition, the Company appointed David Buckingham to the newly created role of Chief Operating Officer of Chrysler Canada, reporting to Bigland. Previously, Buckingham was Vice President - Sales, Chrysler Canada.

Ralph Gilles is appointed President and CEO of the newly formed Street and Racing Technology (SRT) Brand, Chrysler Group's cross-brand performance unit, and the Company's Motorsports activities. He continues with design responsibility for all exterior and interior design activities for all Dodge, Ram, Chrysler and Jeep Brand vehicles.

Joe ChamaSrour is reassigned to International Operations reporting to Mike Manley, President and CEO of the Jeep® Brand and head of International Operations, Chrysler Group.

All changes are effective immediately.

About Chrysler Group LLC

Chrysler Group LLC, formed in 2009 from a global strategic alliance with Fiat S.p.A., produces Chrysler, Jeep, Dodge, Ram, Mopar and Fiat vehicles and products. With the resources, technology and worldwide distribution network required to compete on a global scale, the alliance builds on Chrysler Group's culture of innovation, first established by Walter P. Chrysler in 1925, and Fiat's complementary technology that dates back to its founding in 1899.

Headquartered in Auburn Hills, Mich., Chrysler Group's product lineup features some of the world's most recognizable vehicles, including the Chrysler 300, Jeep Wrangler, Dodge Challenger and Ram 1500. Fiat contributes world-class technology, platforms and powertrains for small- and medium-size cars, allowing Chrysler Group to offer an expanded product line including environmentally friendly vehicles.
