Chrysler Group Employees Drive to Fight Hunger at Thanksgiving

Annual Thanksgiving Food Drive Continues Chrysler Group's Tradition of Giving Back to its Mich., Ohio, Ind. and Ill. Plant Communities

- More than 50 million people in America face hunger. That's 1 in 6 of the U.S. population – including more than 1 in 5 children.

November 14, 2012, Auburn Hills, Mich. - With Thanksgiving approaching, Chrysler Group LLC employees across the Midwest are taking time out from building cars and trucks to make sure their neighbors have the means to enjoy a traditional Thanksgiving Day dinner. Today, everything from canned fruit and vegetables to cranberry sauce, pumpkin pie filling and stuffing mix was packed up and loaded into Chrysler Group vehicles for delivery to local food pantries in the Company's plant communities located in Mich., Ohio, Ind. and Ill.

The annual Chrysler Group Thanksgiving Food Drive taking place today in partnership with the UAW, is part of the Company's long-standing tradition of giving back to its local communities and will help local food pantries restock their shelves in time for Thanksgiving. To complete the menu, The Chrysler Foundation, the philanthropic arm of Chrysler Group, has purchased more than 1,500 frozen turkeys, which will also be distributed by the food pantries.

"We're moved by the generosity of Chrysler Group employees, who once again responded to assist their neighbors during this holiday season," said Jody Trapasso, Senior Vice President - External Affairs, Chrysler Group LLC and President of The Chrysler Foundation. "Chrysler is committed to strengthening our communities and to helping fight hunger."

The food drive, conducted November 1-14, encompasses most of the Company's U.S. offices and plants. In order to maximize the reach of the food drive, the Company teamed with well-established community service organizations in its plant communities:

Southeast Michigan: Chrysler Group employees formed a caravan comprised of Dodge and Chrysler minivans, Ram trucks and Dodge Durangos to deliver food collected at 17 of the Company's locations in Southeast Michigan to Gleaners Community Food Bank of Southeastern Michigan, Lighthouse of Oakland County and HOPE Center in Macomb.

Ohio: Employees from Chrysler Group's Toledo Assembly Complex and Toledo Machining Plant joined forces to deliver food to The Salvation Army of Northwest Ohio.

Indiana: Employees from Chrysler Group's Kokomo Casting Plant delivered food to Kokomo Urban Outreach. Employees at the Company's Indiana Transmission Plants held a similar drive on November 9.

Illinois: Belvidere Assembly Plant employees will deliver food to the Belvidere/Boone County Food Pantry on November 19.

Last year, the Company's food drive helped feed more than 12,000 people across Mich., Ohio, Ind., Ill. and Washington, D.C.

"Chrysler will continue to do its part in the fight against hunger," added Trapasso.

This summer, employees donated more than 16 tons of food to local food banks, enough food to prepare 28,000

meals; and helped the United Way for Southeastern Michigan (UWSEM) serve nearly 150,000 meals to children at summer food sites – double the number served the previous year. Additionally, Sergio Marchionne, Chrysler Group Chairman and CEO is serving as this year's UWSEM campaign chair. In this role, his primary responsibility is to promote growth, fundraising and educational efforts for the campaign throughout the community.

About The Chrysler Foundation
