January 12, 2015, Auburn Hills, Mich. - Edmunds.com has named six FCA US LLC vehicles as winners of its 2015 Most Popular on Edmunds.com awards.

The Dodge Charger was named a 2015 Most Popular on Edmunds.com in the Large Car category, while the Dodge Durango and Grand Caravan took awards in the Large Traditional SUV and Minivan categories, respectively. Jeep®

Cherokee nabbed a Most Popular on Edmunds.com award in the Midsize Crossover SUV category, and Grand Cherokee took an award in the Midsize Traditional SUV category. Completing the list, Ram 1500 was named a Most Popular on Edmunds.com in the Large Truck category.

"It was no surprise to us that the FCA brands sold so well in 2014; a number of Dodge, Jeep and Ram vehicles were among the most popular cars and trucks shopped for on our site all year long," said Edmunds.com CEO Avi Steinlauf.

The 2015 Most Popular on Edmunds.com Award winners were finalized by identifying the three new models in each vehicle segment with the highest total monthly car-shopper consideration from January 2014 through October 2014. Approximately 18 million shoppers visit Edmunds.com each month to find the car that's right for them.
