15 Ways Mopar Helps Keep Summer Fun Going Strong

- Mopar showcases 15 hot products to extend summer journeys
- Mopar parts, accessories and gear, from bike carriers to lift kits and much more, help maximize fun in the sun
- The Mopar brand's portfolio includes thousands of products to assist owners in enjoying the warm-weather season

August 5, 2015, Auburn Hills, Mich. - The Mopar brand's "beach bag" is overflowing this summer with options to assist owners in maximizing their fun in the sun. Thousands of products in the brand's portfolio, including surfboard carriers, bike carriers, tents and performance upgrade kits, help owners make the summer a memorable one.

"Whether it's a family vacation, a weekend getaway to the trails or a day at the beach, Mopar has the products to help make the most of this summer season," said Pietro Gorlier, President and CEO — Mopar Brand Service, Parts and Customer Care, FCA. "Owners can customize their rides with Mopar parts and accessories while outfitting themselves in the personal gear they need to suit any definition of summer sizzle."

Following are 15 select Mopar products available to fuel those summer journeys:

Mopar

Mopar is the global name for Stellantis genuine parts and authentic accessories.

A simple combination of the words MOtor and PARts, Mopar offers exceptional service, parts and customer-care. Born in 1937 as the name of a line of antifreeze products, Mopar has evolved over more than 85 years to represent both complete vehicle care and authentic performance for owners and enthusiasts worldwide.

Mopar made its mark in the 1960s during the muscle-car era with performance parts to enhance speed and handling for both on-road and racing use. Later, Mopar expanded to include technical service and customer support, and today integrates service, parts and customer-care operations in order to enhance customer and dealer support worldwide.
