2020 Dodge Grand Caravan Fact Sheet

August 31, 2019, Auburn Hills, Mich. - As America's best-selling minivan ever, the Dodge Grand Caravan continues its decades-long history of offering families style, versatility and useful features at a tremendous value. Since inventing the segment for the 1984 model year, FCA US LLC has introduced scores of minivan firsts, including ParkView rear backup camera, Stow 'n Place roof rack and selectable fuel economizer mode. One innovation that continues is the Grand Caravan's available industry-exclusive Stow 'n Go seating and storage system, which can be easily operated with one hand, allowing users to convert from carrying seven to hauling cargo in a matter of seconds. The Grand Caravan is equipped with more than 55 available safety, security and technology features.

As the first company to introduce the minivan and through six generations of the vehicle, FCA US has innovated 115 minivan firsts. The company has sold more than 14.6 million minivans globally since 1983, twice as many as any other manufacturer over the past 35 years.

New for 2020:

- Grand Caravan SE Plus features standard second-row Super Stow 'n Go bucket seats and in-floor storage bin, power eight-way driver seat, an all-black interior with Cranberry Wine accent stitching on the seats and optional Blacktop Package (SE Plus and SXT models)

Highlights:

- Standard award-winning 3.6-liter Pentastar V-6 engine that delivers 283 horsepower
- Grand Caravan SE is the entry-level model and offers a number of standard features, including remote keyless entry, sunscreen glass, heat and air conditioning in all three rows, third-row Stow 'n Go with available tailgate seating, 6.5-inch touchscreen radio with ParkView rear backup camera, power locks and power windows in all three rows, power heated mirrors, as well as safety features like trailer-sway damping, electronic stability control (ESC), seven airbags and daytime running lamps (DRL)
- Grand Caravan SE Plus comes standard with ample technology and features, including Uconnect Voice Command with Bluetooth, second-row Super Stow 'n Go bucket seats, power eight-way driver seat and remote start system
- Grand Caravan SXT offers added content at a great value with standard 17-inch polished Tech Silver wheels, leather seats with suede inserts and silver accent stitching, power sliding doors and power liftgate, Bright Stow 'n Place roof rack and Super Console. Options include navigation radio, Blacktop Package and Driver Convenience Group with heated front seats and steering wheel and second-row window shades
- The Blacktop Package, an exclusive customized blacked-out appearance, is available on SE Plus and SXT models for 2020, including 17-inch Gloss Black aluminum wheels, a Gloss Black grille, black headlamp bezels, an all-black interior, including headliner, door panels and console, and premium black cloth seats and door trim panels
- More than 50 available safety and security features include standard front-seat-mounted side air bags, a driver-side knee blocker air bag, three-row side-curtain air bags, ESC, tire-pressure monitoring (TPM) system, DRL and remote keyless entry

Dodge//SRT

For more than 100 years, the Dodge brand has carried on the spirit of brothers John and Horace Dodge. Their influence continues today as Dodge shifts into high gear with a lineup that delivers unrivaled performance in each of the segments in which the brand competes while moving forward to a future that includes electrified muscle in the form of the next-generation, all-new Dodge Charger.

The next-generation Dodge Charger electrifies a legend, with the Charger retaining its title as the world's quickest and most powerful muscle car led by the all-new, all-electric 2024 Dodge Charger Daytona Scat Pack. The all-new Dodge Charger will also offer performance choices via multi-energy powertrain options including the 550-horsepower Dodge Charger SIXPACK H.O., powered by the 3.0L Twin Turbo Hurricane High Output engine.

Dodge also keeps its foot on the gas as a pure performance brand with the 710-horsepower Dodge Durango SRT Hellcat, the most powerful SUV ever, and best-in-class standard performance in the compact utility vehicle segment with the Dodge Hornet.

Dodge is part of the portfolio of brands offered by leading global automaker and mobility provider Stellantis. For more information regarding Stellantis (NYSE: STLA), please visit www.stellantis.com.
