- The new 2024 Jeep Gladiator will be available in a variety of exterior colours, including new-for-2024 Anvil, and multiple open-air freedom options including three top options and two door options.
- Jeep Wave customer service program is available on all trims of the 2024 Jeep Gladiator
- The new 2024 Jeep Gladiator is available at dealerships now

February 20, 2024, Windsor, Ontario - The Jeep® Brand is bringing more capability, more refinement, new technology, more standard safety features, more content and more value to the world's most off-road capable midsize truck. The new 2024 Jeep Gladiator starts at a price of \$58,140 (\$55,945 MSRP plus additional fees).

"The new 2024 Jeep Gladiator delivers unmatched capability and value in the only midsize truck that gives customers true open-air freedom," said Bill Pepper, senior vice president and head of Jeep brand North America. "This new Gladiator delivers a more refined and technologically advanced interior with available 12-way power seats and improved safety with standard side-curtain airbags."

For the 2024 model year, the Jeep Gladiator delivers unmatched capability with unsurpassed 4x4 max towing of up to 7,700 pounds (3,492 kilograms) and best-in-class payload of up to 1,725 lbs. (782 kg). Inside, customers get to experience more comfort and safety equipment, with a new more refined interior featuring available 12-way power front seats, standard 12.3-inch Uconnect 5 touchscreen radio and standard side curtain airbags for the first and second rows.

Pricing for the new 2024 Jeep Gladiator:

Model

Sport S	\$58,140 (\$55,945 MSRP plus additional fees)
Willys	\$63,640 (\$61,445 MSRP plus additional fees)
Mojave	\$70,140 (\$67,945 MSRP plus additional fees)
Mojave X	\$81,135 (\$78,940 MSRP plus additional fees)
Rubicon	\$70,140 (\$67,945 MSRP plus additional fees)
Rubicon X	\$81,135 (\$78,940 MSRP plus additional fees)

Off-Road+

The new 2024 Jeep Gladiator expands availability of Off-Road+ from Mojave and Rubicon models to the Willys model. Optimizing vehicle parameters for off roading, including throttle, transmission shift points and traction control, Off-Road+ delivers peak performance on any trail. When used in 4HI, Off-Road+ optimizes settings for higher-speed conditions, such as sand and mud, and also allows the Tru-Lok rear electronic locking differential to be locked for improved performance. In 4LO, Off-Road+ optimizes settings for low-speed conditions such as rock crawling.

Jeep Adventure Guides

The new 2024 Jeep Gladiator also offers Jeep Adventure Guides, first introduced on the new 2024 Jeep Wrangler and developed with Trails OffRoad. Jeep Adventure Guides delivers comprehensive off-road trail guides for the 68 Jeep Badge of Honor trails loaded right into the Uconnect 5 Nav system, with an upgradable subscription that unlocks full catalog of 3,000-plus trail guides.

Most standard equipment yet for Gladiator
